Far away,
yet so near to me
There's a place
I can see

I believe that we were
meant to live this way

Find new paths to walk on
every day

Look through wars

and time
will see them
in
their
waste

Open arms

might find peace

in

their

place.

Dedication
to
Mr. Joseph M. Hyland

A true and unpretentious dedication must be given to a person who is dedicated not only to his work, but more especially to the one who represents the real spirit of his work.

We students at Manchester Jr.-Sr. High School have been fortunate enough to know a man who exemplifies the word "dedication" in all he does. Without exception, his contributions to our schools and the community have always been made with the best interests of the people in mind. His support of the athletic and academic programs has been unfailing over an awesome period of forty years.

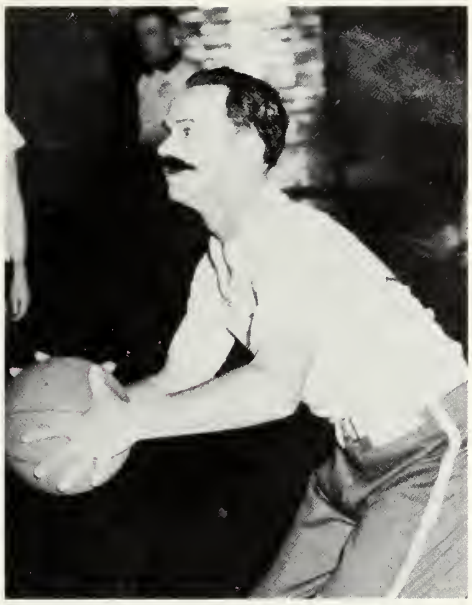
This man has devoted his years as a coach and athletic director for the betterment of school sports and student character. He possesses an understanding of every sport at MHS, and he treats all sports endeavors with equal enthusiasm and interest. He has always emphasized a sportsmanlike attitude first and winning second. He believes that students should have pride in their school and a respect for common courtesy, always stressing the importance of being people first and athletes second. How can we thank a man who has given us so much and asks for so little in return?

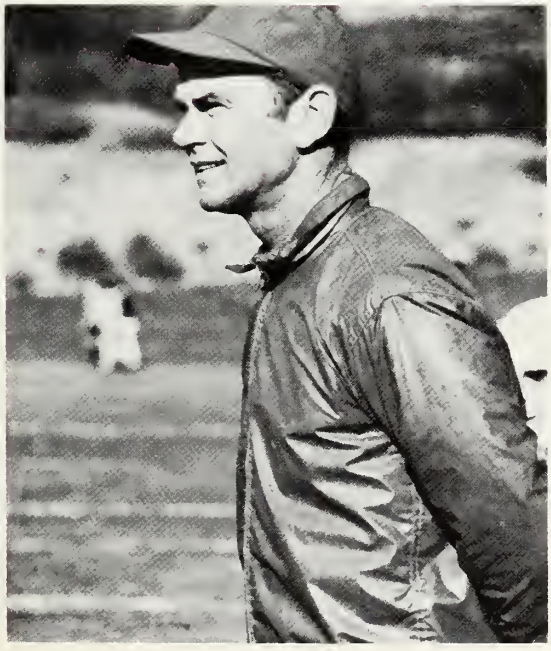
The Class of '77 says thank you, and takes pride in dedicating the 1977 edition of The Anchor to Mr. Joseph M. Hyland, a man who has been a friend to us all, and one whom we will always remember fondly. We will be the last graduating class to benefit from his understanding manner, his joy in victory, his pride in defeat. No words can fully express the emotions we feel as we say good-bye, but we hope Uncle Joe understands with these words he has so often spoken to us,

"May the road rise to meet you.
May the wind be always at your back
May the sun shine warm upon your face . . .
and may God hold you in the palm of
His hand."

With our love and best wishes,

THE CLASS OF '77





In our time
change is slow

If we learn
to share we'll know —

Time and truth are ends
we'll never see or tie
To keep our dream alive
we live with it

Not enough words can be used to do justice in thanking our advisors. Mr. Averill and Mrs. Kostopoulos got more than they bargained for, but they stood by us, giving invaluable time and energy. Thanks must also go to Mr. Prouty, Mr. Smith and Mrs. Coleman for their help.

We thank you all and hope you can now find some peace of mind.

Time
will stall
the man

whose dream
seems to be
forever.

Truth
will wait
for all time

will
we
see?

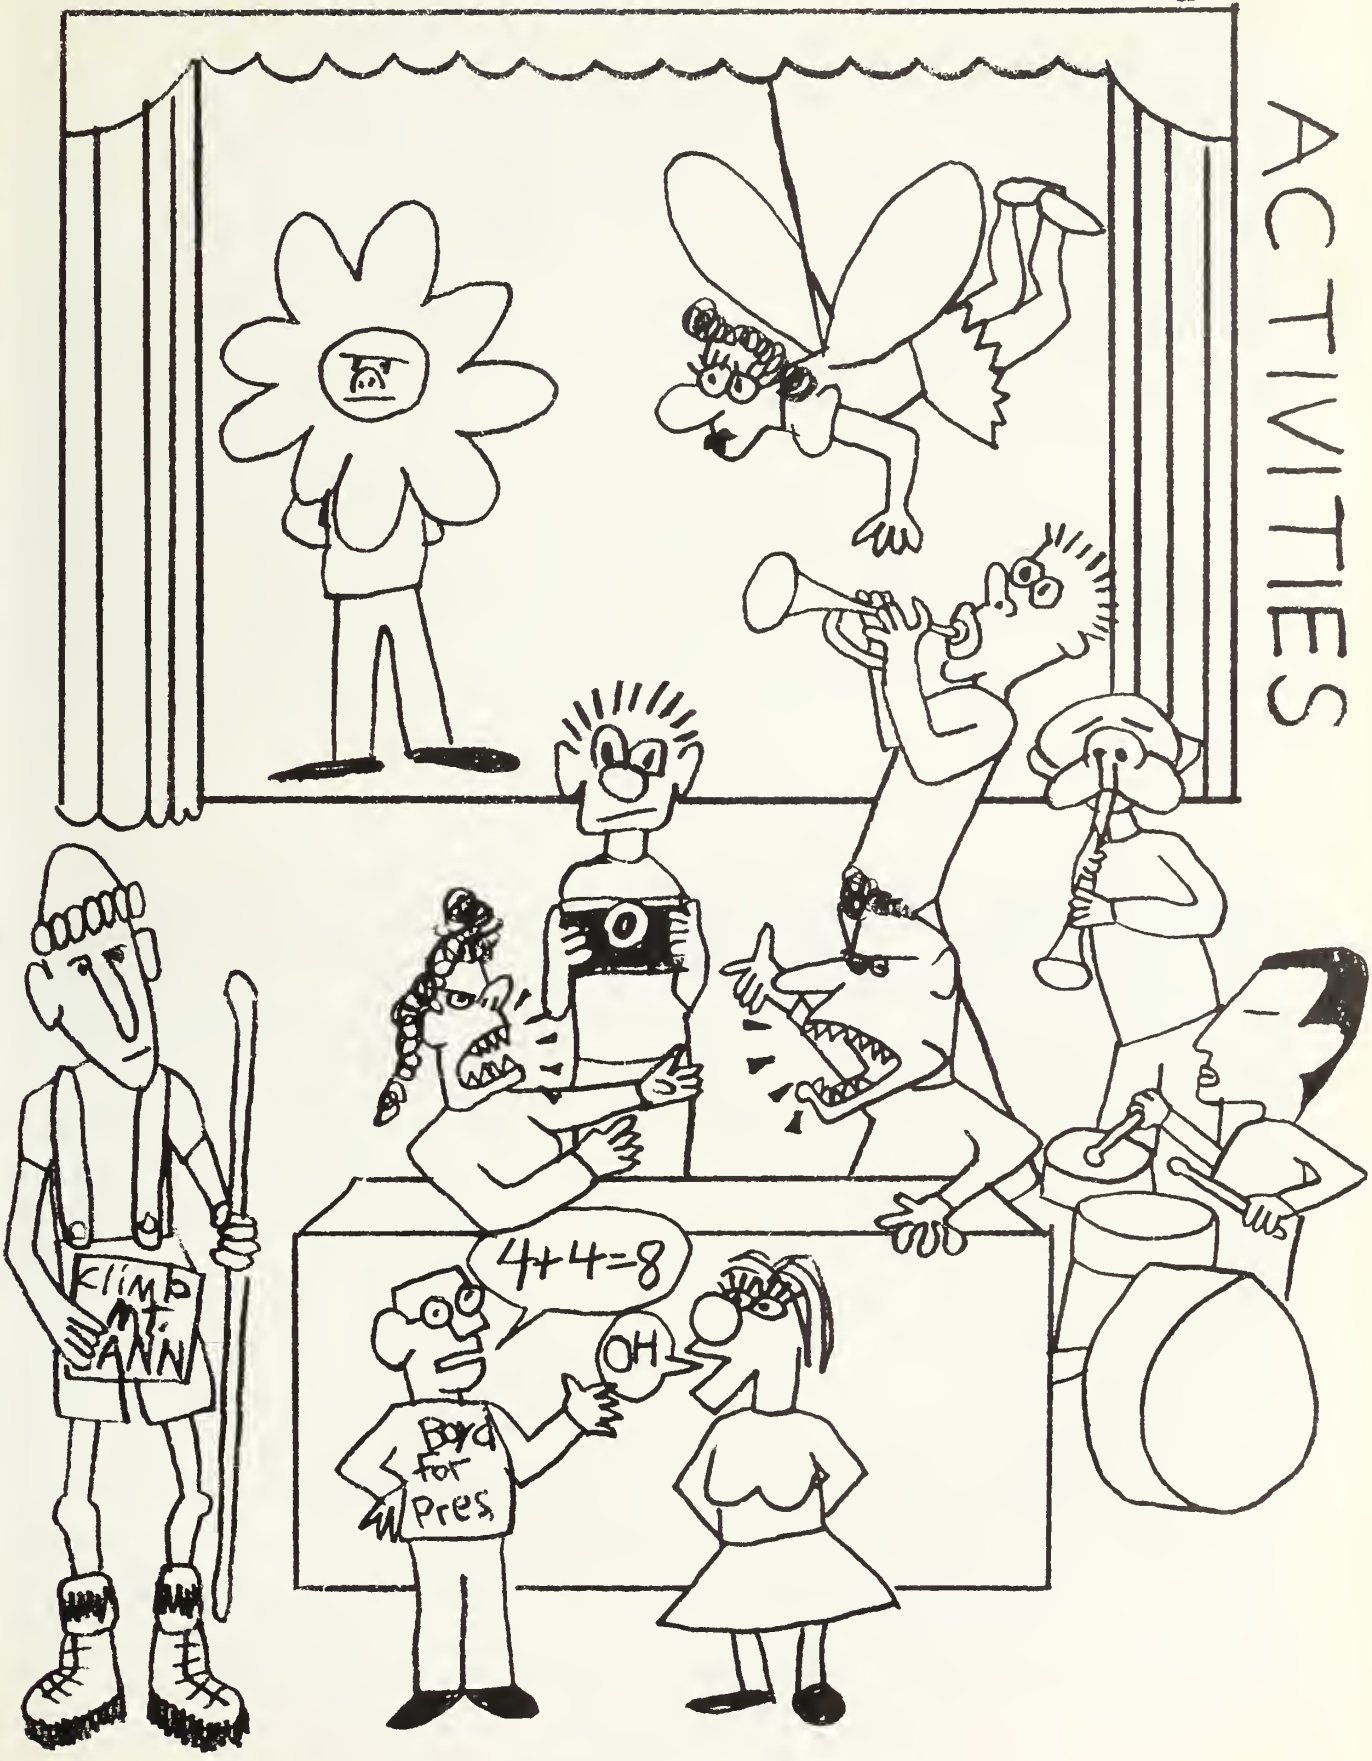
CLUBS ACTIVITIES



The Class of 1977 wanted to make this a special yearbook, a meaningful close to four years of desperation and jubilation. The staff has chosen the theme of The Anchor to be "New Horizons," with the growing represented by the young seed and the full-grown tree. We spent much time on the lay-out and construction of the yearbook, hoping to emulate the feelings of hope and determination which the Class of 1977 will take with them as they leave. We hope you enjoy your reading . . .

"SUPER" Sidelights . . .

SENIOR CLASS OFFICERS: Treasurer Jerry Noonan, President Susan Walsh, Vice-President Gael Donelan, and Secretary Kathy Kelley.

Too many memories have now been recorded in the history of the Class of '77. Yet Senior Year will always be a stand-out: the senior service of stuffing envelopes; the pizza "fiasco" dinner; Love Rides the Rails; and Christmas for the kiddies, starring Bubba Smith in the title role of Santa Claus. For all the hassles, for all the worrying, the officers still must say "thank-you," for the class came through when the need arose . . . we wish all good luck.

Manchester High School tennis courts showed more than winning teams this past spring. Everyone got in on the fun that tennis brings . . . with all that spirit and enthusiasm, how could we lose?

#2 Girls' Tennis Team in Massachusetts! Manchester found tennis in the school only three years ago. Three years later, the girls found themselves in the State Finals. Unheard of? No, not when there's a coach like Dale Temple, who never underestimated anyone's ability. And not with the squad of girls that worked hard all spring.

Cheryl Preston was at 1st singles - undefeated in the league; Joanne Snow, 8-2 at 2nd; Sue Brown, 3rd singles and 9-1 for the season. Gael Donelan and Patti Atwater played 1st doubles, 10-0 in CAL action; and Debbie Bullock and Beth Masiero went undefeated at 2nd doubles, giving the team a lot of strength at doubles. Liz Weld, Liz Fusco and Anastasia Brown, as alternates, received invaluable experience for next year.

For the third year in a row, the girls again overpowered the league, grabbing another Cape Ann League title. In three seasons, the team has only lost an incredible one match, leaving them with a total record of 28 wins, 1 loss. Joanne Snow was the only member lost to graduation last spring, so the team is looking forward to another great year, and the title of #1 in the State!

Manchester's Boys' Tennis team is following close behind the girls' team. After only two years in the league, the boys have to their credit one East division title and one CAL championship.

In 1976, the team, led by Coach Hardy Nalley, swept through their toughest schedule and finished with a season record of 11 wins and only 3 losses. The team was headed by Bill Ina and Barry Pasek, who both alternated playing first singles for the Hornets, sharing also the duties for second singles. Andy Textoris played a steady third singles, pointed out by Mr. Nalley as the most consistent player. Jeff Bishop and Damon Coons were the unbeatable duo at first doubles, enjoying a successful undefeated year. Playing strong matches, Gabe Bernson and Chris Davis often won critical matches for Coach Nalley at the important second doubles position.

The Boys' squad hopes to catch up with the girls this season, going for their second consecutive CAL crown. The Hornets should be right in the running, since their squad comes back intact without the loss of any seniors.

The Girls' Varsity Softball Team had a very exciting season. Karen Smith helped lead the team to a 9-3 season. They tied for 3rd in the league. Three players were chosen to the All Star Team and three to the All League Team. Amy Congdon, star pitcher, was picked as the best pitcher in the North Shore League by the Salem Evening News. Good luck to Coach Volchko and the girls in 1977!

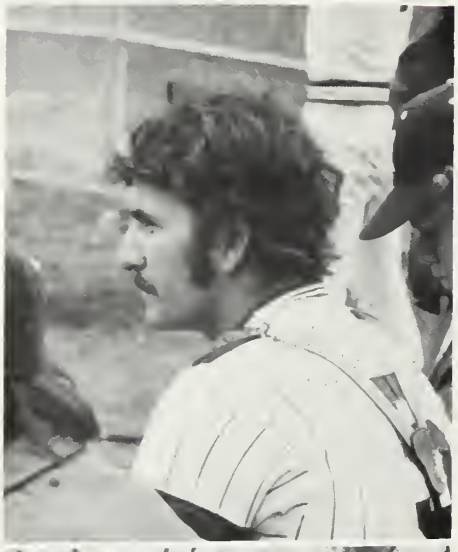
Kelly lets one fly . . .

Varsity Baseball 1976



Following a 1975 Cape Ann League Championship season, the conclusion of the 1976 season saw the Hornets with a 7-11 record. A young and inconsistent pitching staff and a large group of underclassmen, however, did gain valuable playing experience and managed to pull off a major upset when they defeated a contending western division Amesbury team.

The 1977 Manchester Baseball squad will miss graduates Tom Atwater, Chris Cool, Bob Gibson, and Tom Howarth, but all other lettermen will be returning. Led by sole senior Brad Pasek and a host of juniors and sophomores, Manchester hopes to improve its record.

JUNIOR VARSITY NEWS

The 1976 junior varsity baseball team worked long hours and was rewarded with a winning season. Valuable experience was gained by ballplayers who will fill the shoes of departing lettermen. A strong ninth grade group of boys should supply plenty of excitement for the 1977 season.

End of the Season A Football Pep Rally

The traditional pre-Georgetown PEP RALLY was something special in the fall of 1976. The Hornets were hoping to close out their best season ever with a big win over rivals Georgetown. The seniors had a special reason - this would be their last game in the football uniform for Manchester.

Spirits rose high as the cheerleaders yelled, and as Mr. Yavner delivered his annual toast to the graduating seniors. Tri-Captains Jeff Bishop, Jeff Manos, and Gabe Bernson recapped a fantastic season. Coach Yavner proceeded to announce the elected captains for the 1977 Hornet squad: Chris Davis, Bill Ina, and Josh Collens.

The culmination of the evening came with the crowning of the Football Queen for 1976. Don Chouinard, president of the Student Council, presented the roses to Susan Walsh.

We have just added two more championship banners to our gym, emblems of the Cape Ann League Field Hockey Championship and the Mayflower League Football Championship. It is unusual that this is a first in the history of our school, in this my last year.

All the coaches should be congratulated for a great job. The players were fantastic, coming through with the big play when the chips were down. The pressures were great but so was the execution of play.

Championships bring excitement, joy and togetherness. There is nothing greater than being number one. All of us must remember the banners fade and the trophies tarnish; but if we have learned the lessons of championship play, we will always be on top.

The world of sports is based on sacrifice and hard work - of learning to cooperate and play together. Our Hornet teams have had a great fall, tasting victory after victory. It is my hope that the winning will continue throughout the year. Always remember that "yesterday's home run will not win today's ballbame."

Yours in good sports,

Joe Hyland

Christmas Spirit Alive . . .

. . . at MHS

The second annual "Santa's Workshop" was created in the Manchester lobby by the Senior Class. Once again, Santa Claus "Bubba" Smith treated the youngsters of the town with a jolly "Ho! Ho! Ho!" and a lollipop to enjoy.

Christmas season was enjoyed by old and not-so-old at MHS; maybe the seniors have left one legacy which can be remembered after they leave in June.

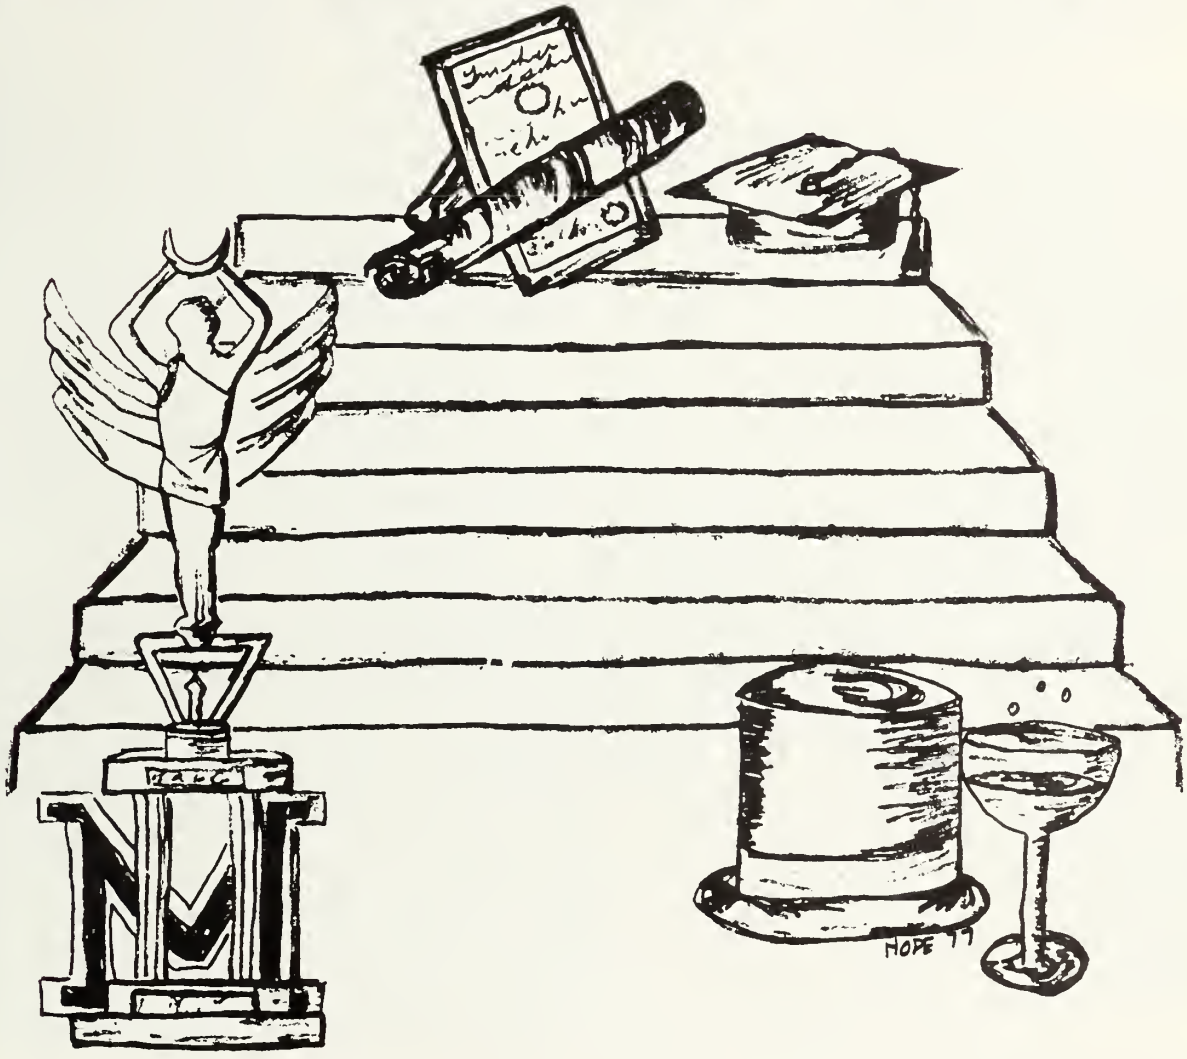
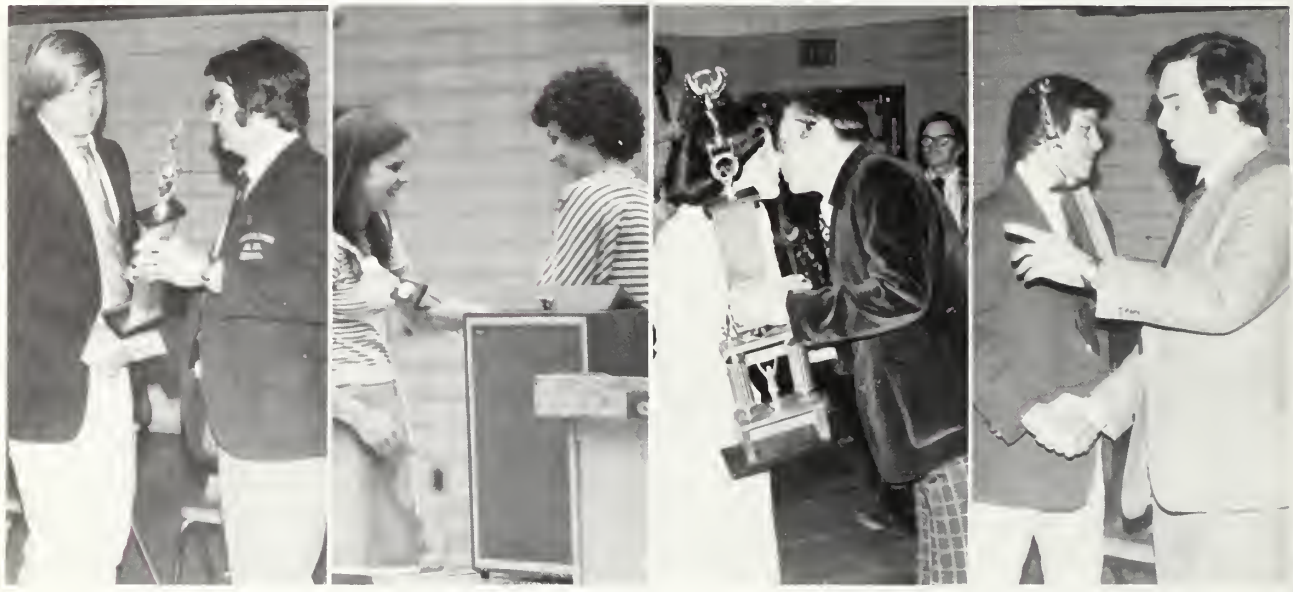
SPRING EVENTS



An Evening for Winners: the Students

Tom Atwater takes top honors.



A lot of smiles, a few kisses, some surprises . . .

June is full of awards banquets and other important festivities, so luckily Mr. Hyland has the foresight to plan an event in April, when everyone needs a break after the endless winter months. The Sports' Night Banquet of 1976 holds fond memories for many. As usual, the Pi Epsilon Sigma served a delicious meal for all. And the Manchester Boosters Club performed the Herculean task of providing awards for many of Manchester's deserving athletes.

and a good time had by all!!

1976 Academic Awards Banquet

Robert Hopkins - Harvard Book Award

Rarely do the academicians of MHS get recognized for their endeavors off the sports field more than at this annual awards banquet. For one night, all the efforts at least seem worthwhile, for the students, and for the parents. Last Spring, several gifts were given to the then-juniors, as well as to deserving seniors. Now those seniors and their accomplishments have left MHS, but the juniors have come back as seniors. Those Class of '77 members receiving awards follow:

Scholars: Joan Cullinane, Gael Donelan, Robert Hopkins, Wayne Peterson, Alex Nahatis, and Jim Oker.

Phy. Ed.: Kathy Kelley
Herb Hahn Book: Gael Donelan
Harvard Book: Robert Hopkins
Social Studies Medal: Gael Donelan

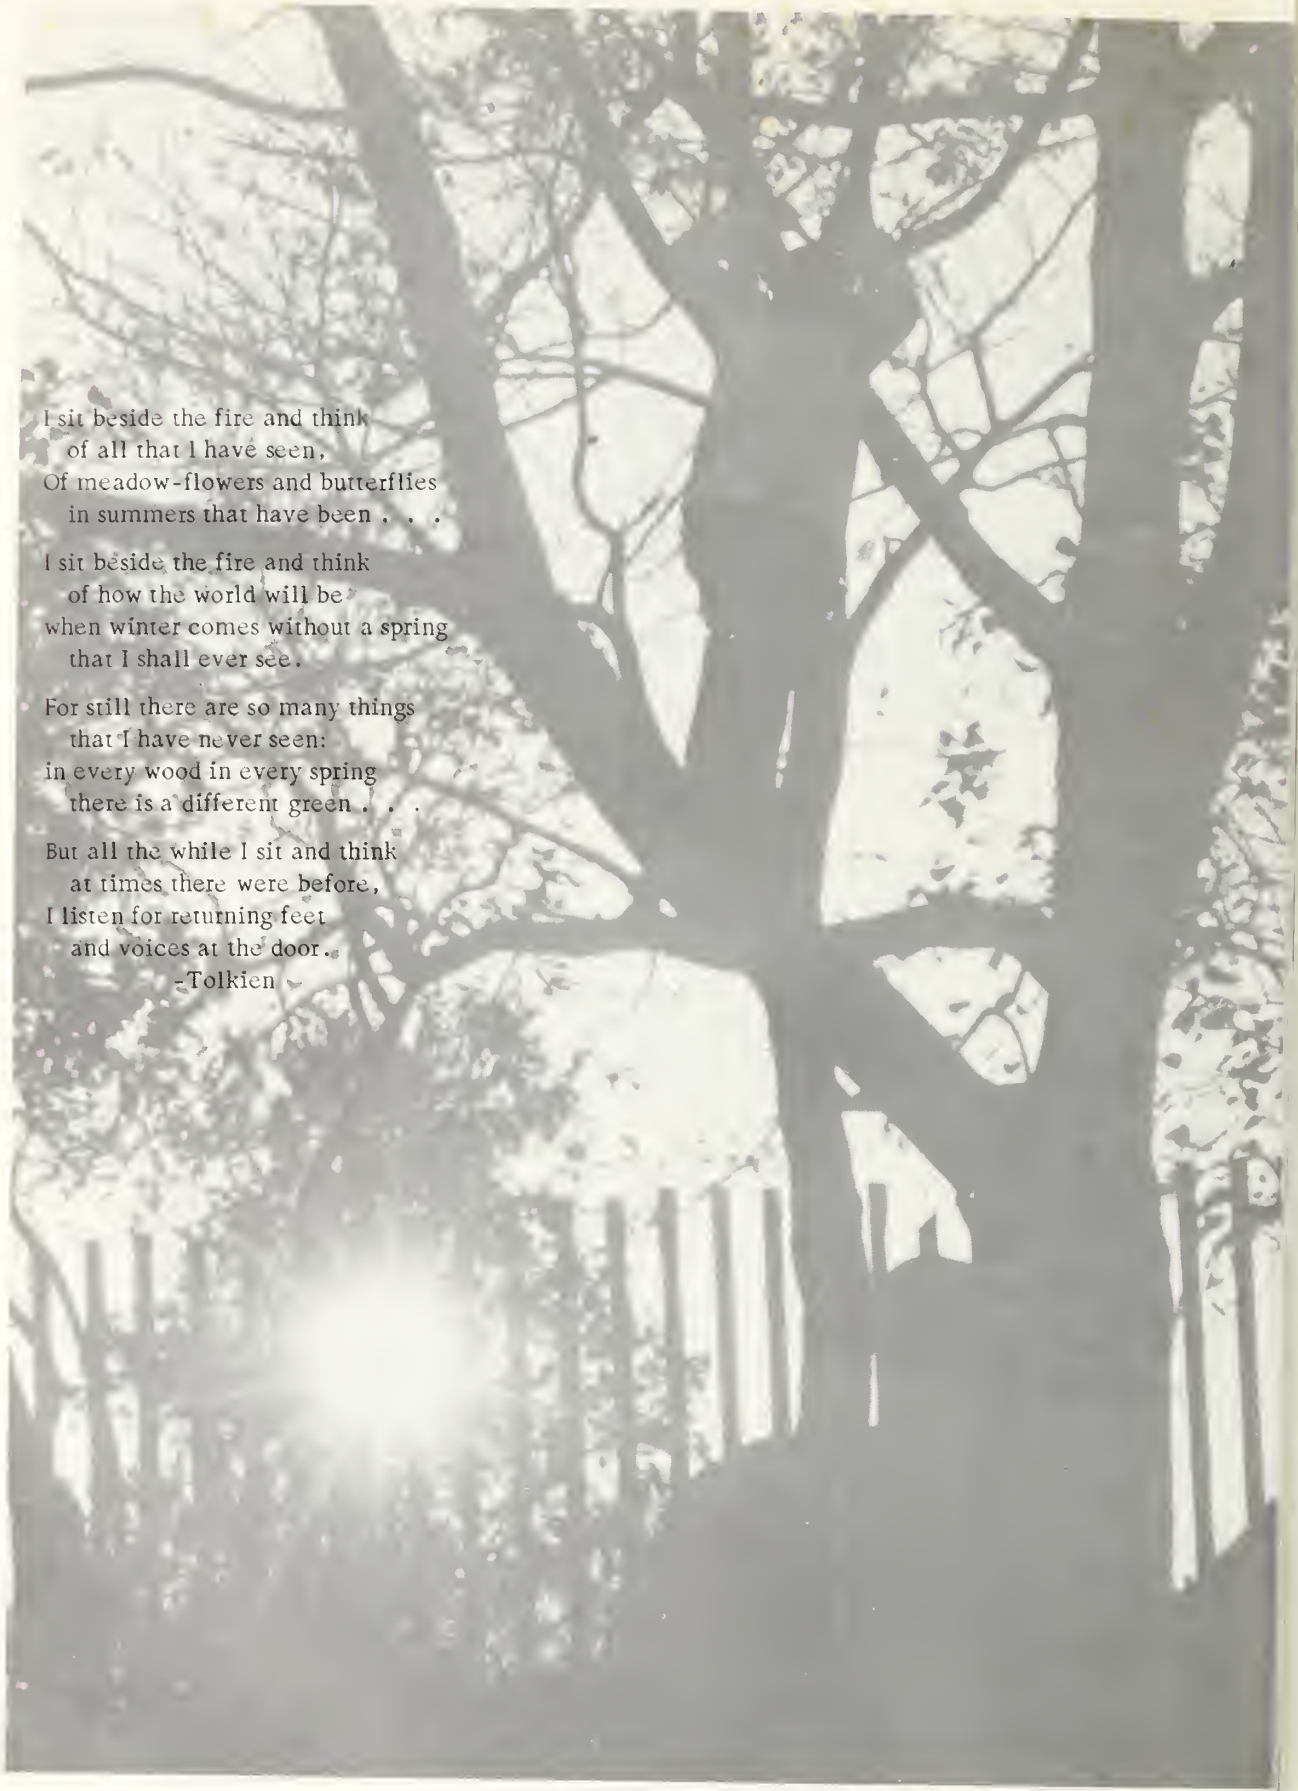
"Eatin' Smoke
and
Saving Lives —
Big Rick" — OGB
!



I sit beside the fire and think
of all that I have seen,
Of meadow-flowers and butterflies
in summers that have been . . .

I sit beside the fire and think
of how the world will be
when winter comes without a spring
that I shall ever see.

For still there are so many things
that I have never seen:
in every wood in every spring
there is a different green . . .

But all the while I sit and think
at times there were before,
I listen for returning feet
and voices at the door.
